

AFTER HOURS ARRIVAL & DEPARTURE OF STOCK

- Canterbury Central Saleyards (CCSL) are open for arrival of stock from 1pm before the day of sale. In most cases there will be personnel on site from 2.00pm until 7.00pm.
- Stock arriving after outside of the above designated hours will need to be penned by the vendor/trucking company in the designated late arrival pens.
- A completed ASD form must be left in the appropriate housing on the pen or mailbox. Please write the late arrival pen number on the top of this form, to reduce confusion.
- Please have respect to the residential residents whilst unloading stock with noise level.
- **NO stock must arrive after 10.00pm, if this is unavoidable the Yard Manager needs to be advised.**
- All stock must depart on the day of the sale and Canterbury Central Saleyards will be open until 8.00pm for this to happen.
- After 8.00pm the yards may be locked and the Yard Manager to be contacted to release stock.
- All stock deliveries should be notified in advance to your selling agent.
