

AFTER HOURS ARRIVAL & DEPARTURE OF STOCK

Canterbury Central Saleyards Ltd (CCSL) are open for arrival of stock from 8:30am until 8:00pm before the day of sale. In most cases there will be personnel on site from 1:00pm until 7:00pm.

A completed ASD form must be left in the appropriate housing on the pen or mailbox. Please write the late/early arrival pen number on the top of this form, to reduce confusion.

Please have respect for the residential residents whilst unloading stock with noise levels.

NO stock must arrive after 9:00pm, if this is unavoidable the Yard Manager needs to be advised and alternative arrangements made.

All stock must depart on the day of the sale and Canterbury Central Saleyards will be open until 8:00pm for this to happen. **Yards will reopen at 7:00am for removal of remaining stock, or by arrangement with the Yard Manager.**

Cattle must not be handled alone. Always have a second person in support. If anyone is on their own, please request the presence of our yard manager, Phil Shaw, who lives close by. This includes truck drivers.

All stock deliveries should be notified in advance to your selling agent.
